Climbing Mount Snowdon to raise money in memory of a loved one.

A group of 28 of us climbed Mount Snowdon, 1085 meters high, in Wales. We raised over £4,100 which will be distributed to different Mental Health Awareness charities. The total climb up took nearly 4 and a half hours via the Miners Track and 4 hours coming back down Llamberis path!

Donating hair to The Little Princess Trust to help courageous children that are very poorly.

Everyone has always said how beautiful and long my hair is so I decided to donate it. The donated hair can be made into a wig for a little prince or princess to make them happy and put a smile on their face. Lollies were sold on the playground to raise further funds.

Resilience and Resourcefulness – two of our wonderful pupils have gone above and beyond to raise money for charities. We are super proud of them. Their achievements were shared in our celebration assembly.

Attendance: Our class with the highest attendance in the last week of Summer 1 was **Year 5 with an amazing 96.7%!** Congratulations and well done. The attendance trophy was awarded to them in our celebration assembly.

National Finalists: Our **Eco Ambassadors** entered a competition for young tree champions to speak up for trees. We are pleased to announce that 5 of our pupils are **national finalists!** Many congratulations to Aman, Alby, Grace, Neha and Daisy!

It is a time to acknowledge the challenges faced by this community and to stand in solidarity with their fight for equality, acceptance, and human rights. Pride Month is a joyful and colourful display of love, unity, and resilience, with events and activities that promote inclusivity.

To all our families and friends who are celebrating next weekend, we would like to wish you a Happy Eid - **Eid Mubarak!**

Best Wishes
