

Homework Sheet Summer Two –

This sheet has lots of ideas for extra homework. Your child can complete as many or as little things as they want to. This sheet is for Summer Two taking us to the Summer Holidays so please spread out your tasks over the next 5 weeks.

Thank you for your on-going support.

The newly married – Mrs Colman

Summer Topic
Natural Disasters

Maths

Time – practise telling the time on both analogue clocks and digital clocks using both 12 hr and 24 hr. Time word problems around duration of events.

Properties of shape – recognising and drawing different angles

Mass and Capacity – practice your measuring skills in the kitchen

Use any of the following websites:

Times Table Rockstars

Hit the Button

Extras!

PHSE – create an information poster or leaflet about keeping your teeth healthy

DT – Design (and create) inventions that could help during a natural disaster of your choice

English

Handwriting Practise (this can be your weekly spellings)

Spellings

Our book this term is Escape from Pompeii

- Write a diary in the viewpoint of Tranio
- Rewrite a story about the events of the day Vesuvius erupted
- Design a leaflet to persuade people to visit Pompeii

Geography and History Topic – Natural Disasters

Researching different types of natural disasters.

Research the impact of different volcanoes and earthquakes that have happened in the last 100 years.

Research where volcanoes are around the world and locate them on a map.

Science States of Matter:

Research the different states of matter

Any investigations about the states of matter.

Create a poster to show the different states of matter.
