Allergy information

Dear Parents/Carers,

Due to several children and members of staff having severe nut allergies can I please remind you that we are a nut free school. Please check carefully the allergy information on products you are including in school lunchboxes and treats given out for birthdays. One specific child and a member of staff have very severe nut allergies which include coconut. This child and member of staff can have allergic reactions from transference of nut products. This can include touching a door handle after someone wearing hand cream with nut oils in to brushing against hair which has used shampoo with nut oils or from sun creams. Could you please all check any product which is used by your child and try to avoid using nut based products. We appreciate your support with this matter.

Kind regards,

Mrs Sultana

Head of School
